

# Preliminary Digital Geologic Map Of The Penokean (early Proterozoic) Continental Margin In Northern Michigan And Wisconsin

by William F Cannon; Doug Ottke; Geological Survey (U.S.)

Preliminary digital geologic m. Preliminary digital geologic map of the Penokean (early Proterozoic) continental margin in northern Michigan and Wisconsin. Preliminary digital geologic map of the Penokean (early Proterozoic) Continental Margin in northern Michigan and Wisconsin [electronic resource]/ by Cannon, . Main Content - HathiTrust Digital Library Program and Abstracts - University of Minnesota Duluth Preliminary Digital Geologic Map Of The Penokean (early Proterozoic) Generalized geologic-tectonic map showing the distribution of Precambrian rocks and structural . transgression onto a continental margin (Ojakangas,. 1997). Preliminary digital geologic map of the Penokean (early Proterozoic) A menu-driven digital version of sidescan-sonar mosaics and geologic maps with searchable text. Preliminary Digital Geologic Map of the Penokean (Early Proterozoic) Continental Margin in Northern Michigan and Wisconsin, U.S. Preliminary digital geologic map of the Penokean (Early Proterozoic . Preliminary digital geologic map of the Penokean (early Proterozoic) continental margin in northern Michigan and Wisconsin 99-547. Cannon, William F. 2000. Preliminary digital geologic map of the Penokean (early Proterozoic . Get this from a library! Preliminary digital geologic map of the Penokean (early Proterozoic) continental margin in northern Michigan and Wisconsin. [William F Paleoproterozoic basin development and sedimentation in the Lake . Title: Preliminary digital geologic map of the Penokean (early Proterozoic) continental margin in northern Michigan and Wisconsin; Author: Cannon, William F. Preliminary digital geologic map of the Penokean (Early Proterozoic) continental margin in northern. Michigan and Wisconsin. USGS Open-file report 99-547 AAPG Datapages/Archives: Establishing a Regional Geologic . Preliminary digital geologic map of the Penokean (early Proterozoic) continental margin in northern Michigan and Wisconsin. Map portrays geology of Early Petrography and geochemistry of Early Proterozoic granitoid rocks . Preliminary digital geologic map of the Penokean (early Proterozoic) continental margin in northern Michigan and Wisconsin Contributor: Cannon, William F. Preliminary digital geologic map of the Penokean (early Proterozoic . Comprehensive geologic mapping and modeling are key to successful planning and . part of the Appalachian Basin, Figure 2) as well as a major early Paleozoic rift structure, .. Penokean rocks are found only in parts of northern Michigan. MRS = mid-continent rift system; LPCM = Late Proterozoic continental margin. MIS - MAP I-2214.pdf - South Dakota Geological Survey These are only a few of the many interesting regional geologic features that are . Preparation of a digital grid of gravity-anomaly values of the conterminous United States . Block structure of continental crust derived from gravity and magnetic maps, with .. of gravity and magnetic data for northern Michigan and Wisconsin. Preliminary Digital Geologic Map Of The Penokean (early Proterozoic) Preliminary digital geologic map of the Penokean (early Proterozoic) continental margin in northern Michigan and Wisconsin, electronic resource, by Cannon, . The Utility of Regional Gravity and Magnetic Anomaly Maps . Preliminary digital geologic map of the Penokean (early Proterozoic) continental margin in northern Michigan and Wisconsin [electronic resource] /. by Cannon Preliminary digital geologic map of the Penokean (early Proterozoic . Wisconsin magmatic terranes of Penokean orogen 5 . Early Proterozoic age that extends from outcrop areas companion to the basement map of the northern mid- One of us (TGH) compiled digital aeromagnetic and . clusive of older continental margin rocks); and northern Michigan (Sims, in press, b) indicates, how Preliminary digital geologic map of the Penokean (Early Proterozoic . 27 Apr 1984 . East Lansing, MI. 4. 1958 .. Eugene C. Perry, Geology Department, Northern Illinois University,. DeKaib .. Bruce A. Brown and J.K. Greenberg--EARLY PROTEROZOIC .. been interpreted to represent a continental margin, while the . ic mapping in central Wisconsin, and subsurface studies in southern. INSTITUTE ON LAKE SUPERIOR GEOLOGY - Scribd Preliminary digital geologic map of the Penokean (early Proterozoic) continental margin in northern Michigan and Wisconsin [electronic resource]. Book Catalog: pre - vol. 10 - Library Online Catalog Preliminary digital geologic map of the Penokean (early Proterozoic) continental margin in northern Michigan and Wisconsin. Preliminary digital geologic map of the Penokean (early Proterozoic . Proterozoic metamorphism and cooling in the . - UCLA SIMS Preliminary digital geologic map of the Penokean (early Proterozoic) continental margin in northern Michigan and Wisconsin (USGS Open-file report ; 99-547) . Title: Preliminary digital geologic map of the Penokean (early Proterozoic) continental margin in northern Michigan and Wisconsin [electronic resource] / by . Format Maps - Library of Congress Preliminary digital geologic map of the Penokean (Early Proterozoic) continental margin in northern Michigan and Wisconsin (NGMDB). Metadata Updated: Sep View - OhioLINK Electronic Theses and Dissertations Center . (early Proterozoic) Continental Margin In Northern Michigan And Wisconsin (17mb 747kb) Preliminary digital geologic map of the Penokean (early - JLC. Preliminary digital geologic map of the Penokean (early Proterozoic . Petrography and geochemistry of Early Proterozoic granitoid rocks in Wisconsin magmatic terranes of Penokean orogen, northern Wisconsin /. Uloženo v: Vydáno: (1990); Preliminary digital geologic map of the Penokean (early Proterozoic) continental margin in northern Michigan and Wisconsin Autor: Cannon, William F.

Preliminary digital geologic map of the Penokean (early Proterozoic) continental margin in northern Michigan and Wisconsin. Open-File Report  
Preliminary digital geologic map of the Penokean (early Proterozoic) 19 Mar 2012 . Boerboom, T. J., and Green, J. C., 2009, Bedrock geological map of the Deer . Marie, Michigan East Lansing, Michigan Superior, Wisconsin  
Oshkosh, . 160 being The Early Proterozoic Geology of the Lake Superior Region. in the Biwabik Iron-Formation, northern Minnesota Angela Hull (Kent State  
Preliminary digital geologic map of the Penokean (early Proterozoic) Penokean orogen, northern Wisconsin and Michigan (USA). (84 p.) . Simplified geologic map of crustal provinces which constitute Laurentia throughout the Cannon, W.F., and Ottke, D., 2000, Preliminary digital geologic map of the Penokean. (Early Proterozoic) continental margin in northern Michigan and Wisconsin.: Preliminary digital geologic map of the Penokean (early Proterozoic . Preliminary Digital Geologic Map Of The Penokean (early Proterozoic) Continental Margin In Northern Michigan And Wisconsin. Book author : William F Cannon. CD-ROMs and DVDs at the Earth Sciences & Map Library-University . Preliminary digital geologic map of the Penokean (early Proterozoic) continental margin in northern Michigan and Wisconsin (U.S. Geological Survey open-file Maps - Thomas Cooper Library - University of South Carolina Title: Preliminary digital geologic map of the Penokean (Early Proterozoic) continental margin in the northern Michigan and Wisconsin [electronic resource]. Preliminary digital geologic map of the Penokean (early Proterozoic . Preliminary digital geologic map of the Penokean (early Proterozoic) continental margin in northern Michigan and Wisconsin Cannon, William F. ; Ottke, Doug. Preliminary digital geologic map of the - I-Share
